Green Morning Qoffee with Green Ambassador

# #WeElevateGreen

## Decreasing our footprint

### Reuse paper

- Distribution of green boxes to collect used paper

### Reduce water

- Change tap on the sink into push-button style
- Change closet flush to big & small button

### Reduce electricity

- Company policy to turn off the light per empty department
- Automatic shut down of lights during lunch time
- Reduction of AC Temp to 23°C

### Use less plastic

- Banning of single use plastic (water bottle, aqua gelas)
- Switch to wooden catering lunch boxes for meeting

### Less CO<sub>2</sub>

- 2 new bicycles available to borrow around office area
- Dedicated bicycle parking space

# #WeElevateGreen

Educating people

## Segregated bins

- Partnership with Waste4Change
- Installation of 4 different bins

## Battery Green Jar

- Distribution of a glass jar to every single employee for collecting batteries

## Go green

- Planting of 7 new trees in our building complex
- Installation of indoor plants in our office
- Greening of the pathway from building complex to canteen

# #WeElevateGreen

## Onboarding our customers

## Next steps...

### ➤ Working on air quality

### ➤ Electric cars

### ➤ Biking Technicians...

**'At Schindler, we define success not only by our financial outcomes, but the business ethics by which we operate and our impact to stakeholders worldwide.'**

**Thomas Otterli**  
Chief Executive Officer

Priority	Goals (2018–2022)
Enhance safety	Reduce the number of employee incidents and injuries by improving our Total Case Rate (TCR) by 20% compared to 2017.
Attract diverse talents	Increase the number of women in the succession pipeline for leadership roles to 25% and promote an inclusive work culture.
Create value in communities	Develop our vocational education programs and support communities through employee volunteering and charitable donations.
Pioneer smart urban mobility	Increase to over half a billion people per day the number of passengers using Schindler's digitally connected elevators and escalators.
Lower vehicle fleet emissions	Reduce CO <sub>2</sub> emissions of our global vehicle fleet by 25% compared to 2017 in relation to revenue.
Increase sustainability performance of suppliers	Have independent sustainability assessments for our component suppliers – reflecting at least 75% of our purchases.

Our strategy connections with the United Nations Sustainable Development Goals:

# Thank you.
