

Innovative Collaboration, the Swiss Way

Message From The

Chairman

HENRY CHIA

Chairman of the Board of Management

Dear members and friends of SwissCham Indonesia,

During the fifth SwissCham Annual General Meeting (AGM) on 31 August 2022, the new board of members of SwissCham Indonesia was elected, and the chamber finances and activities were accepted and approved.

I would like to thank Mr. Chris Bendl for his chairmanship of the SwissCham for the past two years, as well as the outgoing board members for their leadership, dedication, and professionalism which brought tremendous success to the chamber.

While we always utilize the AGM to welcome new board members, I am very pleased to say that most of the former board members remain, creating a solid basis for the chamber's future stability.

The activities initiated in the sectoral groups Ease of Doing Business; Fiscal, Customs, and excise; Sustainability and Human Capital Development; all are on track.

SwissCham's success is partly due to our excellent engagement and collaboration with the Swiss Embassy in Indonesia as well as the Indonesian Embassy in Bern.

I am looking forward to meeting you all in a lovely social evening hosted by SwissCham Indonesia and we will use that occasion to build a strong relationship.

I will see you soon!

Sincerely,

Henry ChiaChairman of the Board of Management

Message From The

Embassy of Switzerland

H.E. OLIVIER ZEHNDER

Ambassador of Switzerland to Indonesia, Timor-Leste and ASEAN

Dear Members of SwissCham Indonesia,

As the new Ambassador of Switzerland to Indonesia, I welcome the close interaction and cooperation between the Embassy of Switzerland and the Swiss-Indonesia Chamber of Commerce. The Chamber is a strong partner and projects itself confidently in the future.

Relations between Switzerland and Indonesia are excellent, long-standing and cover a growing number of areas such as diplomacy, trade and investment, environment and sustainable development. By providing innovative, high quality and reliable products and services to Indonesia, SwissCham and its members contribute to the strengthening of the relations between our two countries. SwissCham is also a testimony of the trust Indonesia enjoys among Swiss companies.

The entry into force of the EFTA - Indonesia Comprehensive Economic Partnership Agreement on November 1, 2021, was a milestone and coincided very precisely with the 70th anniversary of the establishment of diplomatic relations between Switzerland and Indonesia on November 2, 1951. The Partnership Agreement has a broad scope of application. All actors should tap into its potential to fully reap its benefits.

I congratulate the Swiss companies for joining forces in a dynamic SwissCham and am looking forward to further develop our partnership!

H.E. Olivier Zehnder

Ambassador of Switzerland to Indonesia, Timor-Leste and ASEAN

About

SwissCham Indonesia

The Swiss-Indonesia Chamber of Commerce is a non-profit association (perkumpulan) of Swiss and Indonesian businesses with members from corporate to small and medium enterprises (SMEs).

Our Vision

The Association aims to be the leading service platform to enhance bilateral trade, investment and relations between Switzerland and Indonesia

Our Mission

Focuses on promoting trade, investment and the development of relations between the Swiss and Indonesian business communities through collaborative dialogues, advocacy, and social and business networking events that aim to sustainably support the needs of our members.

Why Join SwissCham?

Government Relations

Connecting the business interest of members with related governments through CEO Breakfast meetings with the Swiss Embassy and government officials, targeted topics dialogue forums with related Ministries, round table discussions, and other activities.

Networking Activities

Facilitating the enhancement of relationships amongst members and between non-members through social activities such as the SwissCham Golf Tournament and auction for charity, Networking Night, CEO Gathering, and other activities.

Sectoral Group Activities

Facilitating all members to work collaboratively to address day-to-day issues, advocate for and engage in stakeholder dialogues to address business and regulatory matters, in line with SwissCham's mission.

Sectoral Groups

The objective of establishing four sectoral groups is for SwissCham members to actively participate in work collaboratively to address business pain points, including regulatory issues.
