About SwissCham Padel Cup 2026

Where Business Meets the Court !

SwissCham Indonesia is pleased to present the SwissCham Padel Cup 2026 — an exclusive event bringing together sport, business, and meaningful connections within the Swiss–Indonesian business community.

Designed as a dynamic and engaging platform, the Cup gives SwissCham members the opportunity to compete, connect, and strengthen professional relationships in a more informal setting beyond the traditional boardroom.

The event reflects SwissCham's commitment to fostering a strong, connected, and forward-looking business community. Through friendly competition, networking, and shared experiences, the SwissCham Padel Cup 2026 aims to create new connections across industries and deepen relationships among member companies.

Beyond the matches, participants will have opportunities to engage with fellow members, business leaders, sponsors, and representatives from the broader Swiss–Indonesian community throughout the day.

The SwissCham Padel Cup 2026 is envisioned as a signature member event that combines sport, networking, and community in an exclusive and enjoyable setting.

We look forward to welcoming our members, partners, and supporters to the court!
